

VIRTUAL RUN/WALK 2021
ZEROCANCER
Do It For Dad

Join us for a Virtual 5K Father's Day Weekend to Help End Prostate Cancer!

Fundraise and Support Prostate Cancer Patients and Families

Saturday, June 19, 2021 | 10:30 a.m. ET

Don't miss out! Register for a fall ZERO Prostate Cancer Run/Walk to join this exclusive virtual event!

The Do It For Dad Virtual 5K Run/Walk will be held through the Charge Running App! We'll all run/walk together at the same time, but it'll be on whatever course you choose. You'll hear live coaching and music along the way, be able to use the app chat feature to connect with other participants, and see a live leaderboard of results.

**CHARGE
RUNNING**

- Available for Apple & Android Smartphones
- Real Time Leaderboard & Race Timing
- Live Coaching & Music
- Participant Chat Room
- Post Selfies Along Your Route

This is a great way to train and fundraise for your upcoming fall ZERO Prostate Cancer Run/Walk!

Make sure you register at zerocancer.run before June 4th to get an invitation to this exclusive virtual Do It For Dad event.

Questions? Email us at races@zerocancer.org or call 202-303-3110.

ZERO
THE END OF PROSTATE CANCER

How to Access the Do It For Dad Virtual 5K Run/Walk on CHARGE RUNNING

We have worked hard to make sure this is a next level virtual race experience by partnering with the Charge Running app.

1. Download the App

In your smartphone app store search “Charge Running” and look for an orange app icon.

2. Set up your Charge Running Account

Follow the prompts to create an account and choose your location preferences.

3. Sign Up for the Do it For Dad Virtual Run/Walk

Under “Events, Runs” select Do It For Dad listed for June 19.

You’ll be promoted to enter an access code. Please enter: ZERO2021

Want an easy way to find the right event, just use your smartphone to scan the QR code (to your right) and if you’re signed into the app it’ll select the event for you.

4. Plan Your Route

You’re running/walking on your preferred 5K course, we recommend planning your route in advance.

- *Outdoor runners: Make sure you are running in an area with good cell coverage.*
- *Indoor runners: Make sure that your phone is moving with you while on the treadmill (hand, armband, side pocket). Apple Watch users can integrate and put the phone in the cupholder.*

Worried about no wifi? In a 45-minute Charge run, Charge utilizes about 35 megabytes of data. To put this into perspective, it is the same amount of data as a 5-minute online video.

5. On June 19, 2021, Open the App to Join the Run/Walk and Get Moving

Make sure to join a few minutes before the start time, 10:30 a.m. ET (if you set your location, the app will show you the start time in your time zone). To join go to your profile (in the bottom right corner) and look at the “Scheduled” tab to select “Do It For Dad.”

6. Let Your Friends and Family Know You’re Fundraising!

BONUS

Make sure to share your personal run/walk fundraising page and encourage your friends and family to make a donation to help end prostate cancer. Before, during (stay safe!) or after the run/walk, post a selfie or go live on social media and let everyone know you’re taking part in “Do It For Dad” to support the many patients and families affected by this disease.
