ZERO OUT! PROSTATE CANCER

Quick Start Guide to Fundraising for the Run/Walk

Already registered and don't know where to start? We're here to help!

Did you know that 85 cents of every dollar donated to ZERO goes to programs including research, early detection, education, and advocacy? You can be a fundraising hero to families fighting prostate cancer today! Successful fundraising is easy when you use this quick start guide.

Start Your Fundraising Now!

1. Register for the event.

You'll receive an email with instructions to access your Fundraising Participant Center – the place for all your fundraising efforts. Login at zerocancer.run to start fundraising.

2. Tell your personal story.

Share your story to let people know why fundraising for ZERO and ending prostate cancer is important to you. Don't forget to share a picture or video. It will help donors see your passion for the cause and make them want to support you!

3. Ask for Donations.

Let everyone know why you're fundraising to help end prostate cancer. Set an example and make the first donation to your page. Others are more likely to donate when they see that you've already donated.

4. Use Social Media for Good.

Social media platforms are great ways to spread the word, especially when reaching out to people you don't see often. Include your personal story, photos or videos, post often, and be sure to thank your donors after they've donated!

• **Go LIVE on social media!** This is a fun and easy way to get your network's attention, explain why you're helping patients, and encourage donations. Plus it's a fun excuse to host a virtual game night or happy hour.

5. Get Creative.

Take a favorite hobby or activity you enjoy doing and turn it into a way to collect donations!

- *Love to bake? Host an in-person or virtual class for a suggestion donation.*
- *Always wanted to try something a little crazy? Set a fundraising goal and let your friends and family know if you hit your goal what you'll do. Dye your hair a crazy color, face a fear you've always had, etc...*

6. Follow-Up.

Some people intend to donate and just need a reminder. Thank those that have already donated to let them know how you're doing and it'll inspire others to donate too!

Bonus Step!

Create a Linked Facebook Fundraiser. Start a Facebook Fundraiser from your fundraising participant center so your donors can support you without ever leaving Facebook and your donations will automatically add to your personal fundraising page! Just following the steps below:

- Login to your fundraising participant center and click "**Registered Events**"
- Look for the blue box and click the "**Connect Fundraiser to Facebook**" button
- If you're signed into Facebook already, you're all set! If not, you'll be promoted to login. **Make sure to share your Facebook Fundraiser often!**
