American Urological Association

Urology Care FOUNDATION
The Official Foundation of the American Urological Association

The ZERO Prostate Cancer Challenge is the premier men's health event series in America and takes place in 40 cities across the country. A heartfelt, community activity that brings together athletes, cancer survivors, physicians, caretakers, family members and friends in the fight to end prostate cancer.

We are returning to the Johnny Unitas Stadium at Towson University. We invite your organization to be a part of the excitement, which features a challenging 10K and 5K road race, a 1 mile fun walk, a kids superhero dash for dad, zumba, live band, children's activities, free food and beverages along with many vendors and supporters. It is a fun morning for the entire family.

Over the past ten years, the ZERO Prostate Cancer Challenge Baltimore event has raised over \$3.5 million, for prostate cancer research, awareness and free screenings. We invite you to join us in supporting this important cause. Proceeds benefit:
